Was Mitchell Shot While Committing Robbery?

PHILADELPHIA, May 23.—A man giving his name as Joseph Mitchell died in the hospital here last evening from a gunshot wound in the abdomen. From evidence in possession of the police he is supposed to have been the burglar who was shot on Friday night by the watchman of the Hamilton Watch Factory at Larchmont. Mitchell was admitted to the hospital yesterday morning by his wife, who told an improbable story about his wound.

The Steamer Wandrath May Be Abandoned.

MONTREAL, May 23.—The Hamburg-American steamship Wandrath, ashore at Apple Island, may be abandoned, as the cost of getting her off and repairing her would be more than she is worth. The steamer is valued at \$175,000.
